

Univanich Palm Oil PCL is an award winning company listed on the Stock Exchange of Thailand and with headquarters in Krabi Province. The company is a supplier of crude palm oils to domestic food industries and for export. The Univanich Oil Palm Research Centre is internationally recognised for advanced oil palm breeding, tissue culture, and for the production of high yielding hybrid seeds for Thailand's farmers and for export to oil palm growers in more than fifteen countries.

In Thailand, Univanich employs over 1,200 people who enjoy very competitive employment conditions in an attractive environment close to the tourist centres of Krabi and Phuket. Due to the Company's expansion in both Thailand and in Philippines, Univanich invites applications from Thai and Philippine nationals for the following positions;

FACTORY ENGINEER

This is a management position responsible for operations in one of the company's four palm oil crushing mills in Thailand and a fifth recently constructed in Philippines. Reporting to the company's Chief Engineer the Factory Engineer will also be responsible for staff training, steam boiler supervision, electricity generation and environmental controls. The Factory Engineer will lead a workforce of around 100 technical staff and artisans so a successful candidate will have strong interpersonal skills and proven leadership abilities.

Qualifications:

- A degree in Mechanical or Electrical Engineering
- Minimum 10 years factory management experience
- Proficient in written and spoken English
- Proven leadership and project management skills

A Sarman Mechanical Engineer License to supervise 20 – 40 tonne steam boilers and experience in palm oil production would be an advantage, but not essential as a suitable candidate will receive additional training within the company and overseas.

FINANCIAL ACCOUNTANT

This is a new management position within the company's expanding HQ Finance and Accounting Department located in Aoluk District of Krabi Province. The successful candidate will have strong interpersonal and accounting skills to become a potential leader in a highly professional team encompassing the functions of accounting and finance, audit and financial reporting.

Qualifications:

- A degree in Accounting, with minimum 3 years work experience
- Familiar with modern Thai accounting standards and IT systems
- Proficient in written and spoken English
- Experience in a multinational company or international audit firm would be an advantage
- Experience with Thailand's SEC and SET reporting guidelines would also be an advantage

MANAGEMENT TRAINEES (ENGINEERING & AGRICULTURE)

These are assistant management positions in our palm oil crushing mills and in our oil palm estates and nurseries.

Qualifications:

- A degree in Mechanical or Electrical Engineering or in Agriculture, Agricultural Engineering
- Recent graduates or with up to 7 years working experience
- Proficient in written and spoken English
- Proven leadership and project management skills
- Training in Irrigation systems will be an advantage

Management Trainees will experience a range of engineering and field management responsibilities over a three-year training period, monitored by the Chief Engineer and Senior Plantations Manager.

An important skill is team leadership as all Management Trainees should be capable of becoming the next generation of senior management in the Univanich business. Within recent years many Trainees have been promoted to more senior positions within our expanding business.

The company's palm oil operations are currently expanding from Krabi into neighbouring provinces of Phang Nga, Nakhon Sri Thammarat and Phatthalung. In Philippines the company's main operations are in North Cotabato Province.

Suitable candidates with good English language skills will receive a wide variety of management experience within the company and overseas.

Managers and Management Trainees are provided with a high standard of company housing and a transport allowance as part of their attractive employment package.

An application in English enclosing a recent photo and full details of qualifications and experience should be made by **20th June 2017** to :
