Subject: Action by law-enforcement authorities on 18th May 2014 to end the illegal occupation of Forestry Department concession land in Plaipraya District of Krabi Province

**To: The President
The Stock Exchange of Thailand**

With reference to news reports of Police and Forestry Department actions to remove illegal squatters who were occupying some parts of concession land in Plaipraya District of Krabi;

The company and its employees played no part in the planning or execution of this action by the law enforcement authorities.

The company will continue Court actions announced earlier, seeking protection of the work of the Univanich Oil Palm Research Centre and to seek compensation for any damages suffered as a result of unlawful actions.

Yours faithfully,

(John Clendon)
Managing Director
