

Univanich Palm Oil PCL is a leading palm oil producer in Thailand, the headquarter is located in Krabi Province and listed on the Stock Exchange of Thailand. The company is a supplier of oil palm seeds, and seedlings for both the Thailand palm industry and also overseas oil palm growers. Univanich is also a large supplier of crude palm oil and palm kernel oil to both domestic and international food industries.

Univanich employs over 1,000 people, who enjoy competitive employment conditions in an attractive environment close to the tourist centres of Krabi and Phuket. Due to our expanding business in Thailand and overseas, we are seeking talented individuals to join our management team. Our current operations are based in Krabi, Phang-Nga and Phatthalung. We have 5 crushing mills in total, and currently we are constructing our 6<sup>th</sup> factory in Nakhon Sri Thammarat Province. This 6<sup>th</sup> crushing mill is to be commissioned in 2025.

The company invites applications for the following positions;

## **MANAGEMENT TRAINEES (ENGINEERING)**
